

Toronto Potters

Founded in 1979, is a non-profit volunteer-run organization with approximately 100 members.

Work done by our members includes functional, decorative, and sculptural work; both high fire and low fire using many techniques such as raku, majolica, slip trailing, saggar firing, and sgraffito.

Our Association is committed to the organization and sponsorship of clay-related activities that contribute to the artistic growth and development of our members. These activities include meetings with guest speakers, four editions of our newsletter per year, annual sales of members' work, juried exhibitions, and sponsored workshops. Our website provides publicity for our events, an online gallery, a video collection, convenient access to membership materials and entry forms as well as an archive of our newsletters.

MEMBERSHIPS:

All memberships fall due for renewal June 1st, regardless of start date. June 1st membership entitles full participation in our annual sale.

MEETINGS: NEW LOCATION!

Beginning in September, meetings will be held on the fourth Tuesday of the month at the Gardiner Museum, 111 Queen's Park. Meetings start at 6:45 p.m. to 8:45 p.m. Includes a raffle, followed by a guest speaker.

There are no meetings in June, July, and August. The December meeting is a social event. Our Annual General Meeting is held in May, followed by a potluck.
