

Who We Are

Founded in 1979, Toronto Potters is a non-profit volunteer-run association committed to the organization and sponsorship of clay-related activities that contribute to the artistic growth and development of our members. These activities include regular meetings with guest speakers, quarterly editions of our newsletter, annual sales of members' work, juried biennial exhibitions and sponsored workshops.

In addition to advertizing all of the Toronto Potter events, our website is a portal for the public to view galleries and information of our members as well as listing local pottery classes and workshops The website also contains membership information, entry forms as well the listing of our extensive video library and archive of our newsletters.

We offer an inclusive and supportive ceramic community. Membership is open to all ages, experience levels and ceramic styles, which includes (but is not limited to) functional, decorative, and sculptural work; both high fire and low fire.

MEMBERSHIP:

All memberships are due for renewal June 1st, regardless of start date. June 1st membership entitles full participation in our annual sale.
